FCI SHERIDAN

## MODIFIED VISITATION INFORMATION

UPDATED September 13, 2023

Social visitation at FCI Sheridan has been updated and will resume through the physical year of October 2023-2024. In accordance with the following guidelines, visitation procedures, and to protect the health and safety of all inmates, staff, and visitors, Units will be allowed to visit on their scheduled date on a first come, first out, if the maximum number of visitors are in the visiting room. A 2-hour limit will be utilized.

- Social distancing (minimum of 6 feet) between visitors and inmates will be strictly enforced. Any violation by the inmate and/or their visitor(s), will result in the termination of visits and possible disciplinary action for the inmate.
- Inmates will be provided an opportunity for visitation at least twice a month, with a maximum of three (3) visitors per inmate for each visit at the FCI and Satellite Camp, and two (2) visitors per inmate for each visit at the Detention Center. Children over the age of one (1) year old will be considered a visitor. Infants under the age of one (1) year old will not be considered a visitor, and will be required to sit on the accompanying adult visitor's lap for the duration of the visit.
- Inmates must verify with their Unit Team that all children over the age of 16 are on their approved visiting list. The children's area in the Visiting Room will remain closed. A combined maximum of 28 visitors and inmates will be allowed in the Visiting Room at the FCI, a combined maximum of 40 visitors and inmates will be allowed in the Visiting Room at the Satellite Camp, and a combined maximum of 9 visitors and inmates will be allowed in the Visiting Room at the Detention Center.
- The visitation schedule is subject to change.
- Visitors (adults/children over the age of 2) will be permitted to wear plain masks/face coverings. However, removal of face covering will be required for identification purposes when requested by staff.
- A kiss and embrace are permitted at the beginning and at the end of the visiting period. Once the inmate is seated, the inmate is to remain seated and there will be no physical contact of any kind during visitation. Authorization by staff will be required if the inmate needs to use the restroom.
- Food and beverages will not be allowed. As such, vending machines will not be available for use in the Visiting Room. Baby formula/food must be placed in a quart sized clear seal-able bag.
- All areas, to include the Front Lobby and the Control Sallyport, will be thoroughly cleaned and disinfected following the completion of visitation each day.
